GENERAL HIKE NOTES

PARTICIPATION Mountaineering is an activity with a danger of personal injury or death. Participants should be aware of and accept these risks. People who take part in our club activities do so at their own risk and are responsible for their own actions and involvement.

INTRODUCTORY HIKES An Introductory Hike is organised once per month for aspirant members. Any participant on these hikes must be a member of An Óige.

CO-ORDINATION Tickets are given out on Sundays to ensure that participants reserve a bus place as they arrive.

LEADER The leader has the right to refuse anyone who is not adequately equipped (e.g., without appropriate boots, rainwear, food, torch, hat, gloves, etc). The leader may alter the route from that described in the program. The leader sets the pace of the hike and walkers are expected to obey the leader's instructions at all times.

ENVIRONMENT Try to reduce the erosion and widening of trails, e.g. do not walk on the edge of worn tracks; walk through the centre of the original track or go several meters into the scruff where the ground is untrodden, walking parallel to but not on the track.

LITTER Litter is unsightly and dangerous to animals. Even bio-degradable items like orange peels and banana skins take years to disappear. Bring all your litter home and try to include at least one extra item from each day out. Do not bury litter – animals will dig it up.

WALKING STICKS AND RUCKSACKS Remember that walking sticks and rucksacks cannot be brought onto the bus and must be stowed away in the boot during the journey.

HIKE LEADERS Any club member interested in leading a hike, please contact:
Garry Byrne

PLEASE NOTE: As in previous years, there will be no minibus for Sunday Hikes on 29th July, 5th August and 12th August.

Detailed Hike programme for July and August will be published in the next newsletter
